

Response to Request letter dated December 23, 2008.

Please note the following in response to your request for additional information for 5 items:

- 1) The Reported ECTD total of \$10,000.00 is correct as originally reported. The NEA Fund for Children and Public Education contributed \$5,000.00 on May 10, 2008, and an additional \$5,000.00 on October 20, 2008. The name was reported as "The NEA Fund for Children and Public Education" on the first contribution. "The" was dropped from the name for the second contribution. We have amended this filing to report the contributor as "The NEA Fund for Children and Public Education", in accordance with the previous filing and with the name on the contributor's check. Clearly they are the same entity and, thus the contribution and total were correctly reported.
- 2) The purposes of the disbursements have been modified on the amendment in accordance with your request.
- 3) The majority of disbursements to credit card companies were for debts incurred in prior reporting periods. When applicable, the original vendor was reported in the prior period as a memo item with a note referencing the credit card debt on Schedule D. In our review of the credit card debts and charges, all original vendors have been properly disclosed on this report or prior reports.
- 4) Information provided in this amendment for subvendor payments.
- 5) Information provided in this amendment for subvendor payments.
